1001 Inventions, the award-winning global initiative about the history of science in Muslim civilisation, will introduce its new interactive exhibition at the inaugural Abu Dhabi Science Festival. Following successful residencies in London, Istanbul, New York and Los Angeles, where it has attracted a combined audience of more than 1,500,000 visitors, the 1001 Inventions touring exhibition is launching a bi-lingual Arabic-English touring exhibition in response to public demand.
